This 58 page index uses both the supplement number:page number and the section letter:page number to allow you to easily find the service information you are looking for. The Dash-8 40C diesel model 18205 is in B-37 which is section B page 37 or Supplement 16 page 1-1.

The index is being offered as a .pdf document. The purchase price is \$45.00 plus \$8 shipping. The Service Manual Index and all the supplements, service packs and service notes will be included on the CD disc.

To acquire a copy, please call (800) 777-2043 and ask for Debbie Beatty. Payment must be via Mastercard or Visa and we will need your mailing address to mail you the disc.
